North Shore-LIJ Hospitals

North Shore-LIJ Health System is an award-winning network of 15 hospitals and other healthcare entities serving Long Island, Queens, Manhattan and Staten Island. For cancer care, heart health, labor and delivery—and for just about every other medical need—both physicians and patients can count on our vast resources and expertly-trained specialists.

For a list of specific medical services provided at each of our facilities, please visit northshorelij.com. If you are looking for a physician or non-physician provider who participates in the North Shore-LIJ Employee Benefits Program, please go to: <http://ciipa.nsljweb.com>.

North Shore-LIJ Laboratory Locations

North Shore-LIJ's in-system laboratories offer state-of-the-art testing and 24-hour, 7-days-a-week client service. In addition to excellent support services, our labs also offer home care phlebotomy and STAT testing. By using ePathLink, an in-office web-based order entry system that links the physician's office directly to the lab, errors are virtually eliminated. With 11 locations, there are plenty of in-system labs for your needs.
